

Profitable Transport Company with Long Standing Clients

The Transport industry is generally recognised as a business that is highly competitive, so it's refreshing to see a company that has made a conscious decision to focus on building value rather than discounting to win business.

This Auckland based Transport company stands head and shoulders above most of the competition and has carved out a specialised niche that focusses on delivering an outstanding service & standard to a range of clientele who produce high value products.

The company has been established for 14 years and in that time has built great systems, drivers and a fiercely loyal customer base. The trucks are branded and in excellent order.

They have created a solution that we don't believe anyone else in the country offers

This smart but simple business model is easy to understand which gives a new owner the ability to grow in the future and take this business to the next level.

The owner has identified a number of options to grow.

A lot of the hard work has been done with the current owner happy to assist a new owner to transition to operate, OR acquire and integrate into an existing Transport business.

The choice is yours!

Investment only \$790,000 with \$298,000 to a working owner.

Be quick this is a real winner, call Markus today on 0274 62 80 80 and let's get going!
