

Consented Holiday Accommodation Development

Calling all developers, tourism operators, accommodation providers and those seeking a once in a lifetime development opportunity.

Resource consent has been granted for an 11 unit accommodation development, plus a managers accommodation/reception building on this 1.33Ha site in the popular tourist destination of Matakana. A very popular destination for Auckland holidaymakers. Matakana has always been underserved by quality accommodation, this is your chance to change that.

The new motorway extension to Warkworth brings Matakana even closer and is bound to see an increase in visitor numbers to the region when this section opens in June 2022.
